Item Description	Unit Cost (S$)	Unit	Quantity	Subtotal Price (S$)
1. Software Package Features **Association Management Software** All-in-one platform: Membership Management, Event Management, Email Marketing, CRM, Finance, 5 General Surveys/ Year and Two Mobile Apps (basic version of My Glue App + Manager App). **Dedicated Subdomain & API Access** A Dedicated Subdomain gives you access to our API	26,090	Per Package	1	26,090

documentation and API itself so you or your developers can build integrations and customizations for your website or other tools you want to use with Glue Up platform. A Dedicated Subdomain also gives you an additional branding benefit as it tailors the web address to your organization's name (i.e. yourname.glueup.com). **<u>Dedicated IP Address for Emails</u>** A Dedicated IP Address is your own private IP and is associated with your website alone. A dedicated email marketing server gives you the freedom and resources to scale your campaigns at any time. If your sender reputation is vital to your business and if you want to ensure email deliverability, then you should consider getting a dedicated IP address. **<u>Stripe Payment Gateway</u>** Accept payments or bill clients on a recurring basis with ease using Stripe and receive all money directly in your bank account. **<u>Survey Building Tool</u>** Easily create surveys, quizzes, and polls for any audience. Then measure and understand feedback so you can drive growth and innovation. **<u>Xero or Quickbooks Integration</u>** Complete your financial journey from ticket and membership registration all the way until your taxes are due with the new Xero and Glue Up integration. Your				

invoices get automatically sent and synchronized from your Glue Up account all the way to your Xero books. **CPD/CPE Credits Management & Tracking Tool** Professional certification courses are mandatory for certain professions and thus the training type of event for associations/training companies is a "must have", not a "nice to have". The attendees in this case will also have a module built into the user account to manager their "points" for accreditation and renewal. **Community Engagement Solution** Give your community a place where they can connect with you and your mission 365 days a year, even when meeting face to face isn't possible. Key features: • Business Card Exchange • Community Feed • Private & Public Groups • 1on1 Chat • One Active Community • Available on all devices **Whitelabel 'My Glue' Mobile App** Create a unified and engaging experience aligned with your branding requirements for all of your community engagement. Key features: • Custom login screen • Fonts & Colours • Logos • Customizable Layouts
